

Dear Sponsor:

The St. Joseph County Conservation District works hard at cleaning the county's river systems, planting trees through the reLEAF Project, partnering with both local Townships & the St. Joseph County Parks Department and organizing our 5<sup>th</sup> annual Local Food Festival showcasing produce grown right here in St. Joseph County.

As a way to support the man hours that go into planning, organizing volunteers and completing these programs the St. Joseph County Conservation District is hosting our **5<sup>th</sup> Annual SJCCD Golf Scramble** at St Joe Valley Golf Club on M-86 in Sturgis, Michigan on Saturday **May 5, 2018** to start at **9:30 AM** and we are asking for your support. We have several ways you may contribute to a successful 5th Annual SJCCD Golf Scramble.

#### **Sponsorships**

\$500 Blue - Includes one 4-man team and a hole advertisement sign

\$100 Green - Includes a hole advertisement sign

Advertisement signs will be placed on tee boxes for all tournament players to see. The signs are 11"x17".
